'Give Back' Pack for Homeless Youth

Get your team together to collect essentials for young people entering Brisbane Youth Service's Housing and Support Programs.

We Are
For Homeless Youth

BRISBANE
YOUTH
SERVICE

NEW FUTURES FOR YOUNG PEOPLE

'Give Back' Pack for Homeless Youth is a wonderful way to unite your team in a common goal – providing essentials to young people entering safe, secure and welcoming homes for marginalised and at-risk young people in Brisbane.

The Property Industry Foundation, in partnership with Brisbane Youth Service, is asking your company/team to provide one or more of the following packs to distribute to the young people accessing their housing and support programs.

Brisbane Youth Service (BYS) supports young people aged between 12-25 years and their children. In 2022-23, 1,797 young people accessed ongoing planned support, a 14% increase from the previous year.

Many of the young people come to BYS with very little. These packs contain the essentials for a home, from food to bedding to a welcome pack that includes basic personal items.

How you can help

Decide to run a 'Give Back' Pack for Homeless Youth Drive

If you decided to run a Drive at your workplace, please let us know by registering at give.pif.com.au/give-back-pack

Click on which packs you will be putting together. Update your page with photos and a short description about who will be involved in the drive.

Gather the goods

Give your colleagues a set time frame for participating. Download and use the posters, pack lists and other promotional material to communicate what is needed by when.

Resources can be found at give.pif.com.au/give-back-pack

Pre-pack at a Team Catch Up

You know your team best – gather your workmates at a tea break, a lunch etc for a social gathering where they can also give back by packing the items for the Packs that you have chosen. Take photos and let us know when and where you are doing this. We would love to amplify your work.

Pack into a cardboard box and tag with relevant Pack Tags that you can download at: give.pif.com.au/give-back-pack

Drop Off

To arrange drop off for your completed packs

please contact Rebecca on rfield@pif.com.au or (07) 2113 4118

“When I was homeless and had no one else to rely on, BYS provided me with reliable consistent support to help get me back on my feet, and I don't think I could have done it without that help.” - Young person supported by BYS
