

SAIL FOR HOMELESS YOUTH

17 May 2024 | Royal Yacht Squadron, Brisbane

The Property Industry's Charity Regatta

Too many young Australians will be homeless tonight.

Having a place to call home is a source of stability. Home is a place of safety and routine with people who support and encourage you.

Join us for a day on the harbour as we bring together the property and construction industry to build homes for homeless youth.

We look forward to seeing you on the water!
